3:12 PM- We decide to stay.

3:13 PM- Enid informs everyone about the three kinds of candy combination box options.

3:15 PM- Megan asks if everyone would agree to get more boxes with Twix and Caramellos in them because we're going for quantity sold and those always go the fastest.

3:16 PM- Megan attempts to use mental math in order to figure out our profit, which is approximately \$500.

3:20 PM- Enid tells Jessica to send out an email to everyone who signed up during the Extracurricular Fair and ask if they would like to be removed from the contact list. She also says that since we want as many people and possible to stay to obtain the contact info of people who are not on that list yet.

3:24 PM- Enid wants Jessica to add in the email that anyone can remain in the club even if they have schedule conflicts. She tells Jessica to email the cropped list to Shu Yi so she can ask if anyone would like to write an article or contribute artwork to the *Flamma Aeterna*.

3:25 PM- Enid says we need to get a list of people who are willing to play Certamen and those who are willing to volunteer to keep visitors in place. Someone suggests that we should use the prefect tables since they are stationed in effective spots.

3:26 PM- Enid says we should hold another meeting soon.

3:27 PM- Jacob says we have heard back from Barnes and Nobles in Coolidge Corner as well as the one in the Cambridgeside Galleria about holiday gift-wrapping. The first timeslot is going to be on the 1st Saturday after Thanksgiving from 1-9 PM.

3:29 PM- Jacob says we should devote a day to fixing the bulletin board and then go somewhere.

3:30 PM- Everyone pipes up saying we need more pictures, a pink boa, The Will, pool noodles, and a calendar of events. Friday is the date suggested for this to be done.

3:34 PM- Jessica brings up taking Skybus to Nationals and she is told to email Jacob about it.

3:35 PM- The topic of additional trips is brought up and Olivia has an idea. She wants to take classical pictures around the city.

3:37 PM- Enid wants to end the meeting and there is a murmur of consent and "let's get out of here," but then we change our mind and inquire Tom about the website. He says that it's okay and it has grown to be fairly large. He wants an assistant techie.

3:40 PM- Enid suggests that we help out kids who are going to apply to BLS as part of our community service.

3:41 PM- Jacob tells everyone that if they have any ideas, they should let the consuls know, things such as walks and volunteering in soup kitchens.

3:43 PM- Enid asks if there is a motion to adjourn. Megan says “Aye aye, Captain” and we leave.
